

L.O I can create a pattern.

Tartan is a woollen cloth woven. It comes in many different patterns of coloured checks and intersecting lines. Tartan designs are especially associated with a particular Scottish clan.

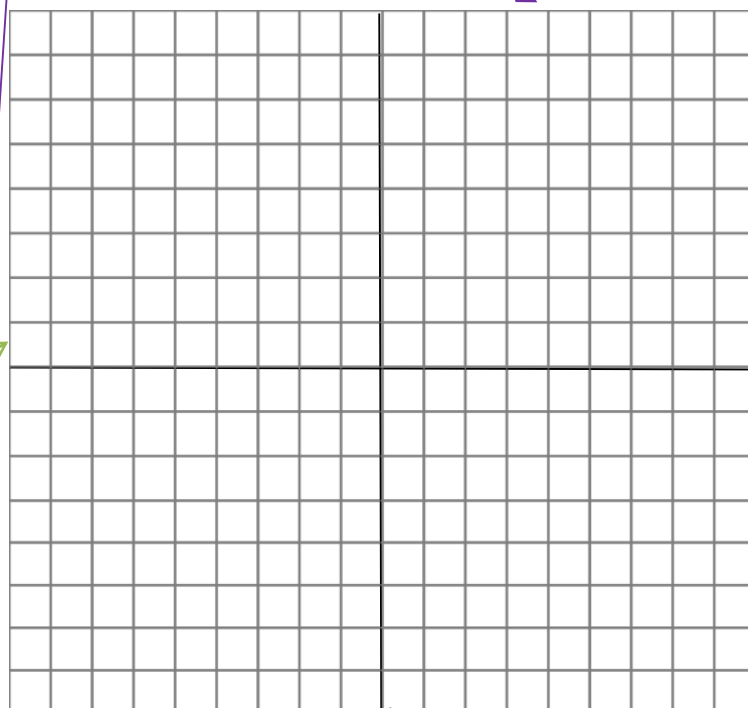

Design tartan, following the instructions in the boxes.

1. Colour one half of the quadrant
2. Reflect the pattern into the other half

1. Colour one quarter of the quadrant
2. Reflect and translate the pattern into the other three quadrants

Now design your own tartan...

Describe your pattern in words...
